# EVOKE-1<sup>XT</sup> *Prestige*

Exclusive stereo edition  
of the world's  
best-selling DAB radio

DAB digital radio is a change in radio technology even more profound than that from AM to FM. Easier to use, with crisp clear interference-free sound, more station choice and extra information on-screen, DAB transforms your listening and makes radio special again.

The mains-powered EVOKE-1<sup>XT</sup> Prestige Edition is a DAB digital radio for the discerning listener who understands that a unique technology requires a special radio. Real wood cabinets in high-lacquer walnut veneer look stunning, hi-fi quality amplifier and speakers provide truly astounding audio quality and the acoustically-matched second speaker gives true stereo separation for a listening experience that ranks with the best midi hi-fis.

EVOKE-1<sup>XT</sup> Prestige Edition – in a class of its own.

## Wider Station Choice

Up to 55 DAB stations available, including many digital only stations such as BBC7, Radio 5 Live Sports Extra, BBC 6 Music, PrimeTime, Core and Planet Rock.

## Easy to Use

Select station by name, scrolling text display, one touch autotune, and interference-free digital sound quality.

## Great for the Kitchen

Easy to use countdown timer with dedicated button. Time automatically updated from the broadcast signal. Clock display in standby mode.

## DAB FOR QUALITY AND EASE OF USE

The DAB transmission standard provides high-quality, interference-free digital audio without the hiss, crackle and fade of AM/FM broadcasts. One touch autotune locates all available DAB stations. Select stations by name and list them alphabetically or in the order you listen to them most. Scrolling text shows additional data such as song titles, artists' names, programme descriptions, news headlines and more.

## WIDE VARIETY AND CHOICE OF STATIONS

Up to twice as many stations are available in many areas as via FM. UK stations broadcast digitally include national BBC Radios 1-4, BBC Radio 5 Live, Classic FM, talkSPORT and Virgin Radio, plus local and unique-to-digital stations.

## WHITE-ON-BLUE DISPLAY

High-resolution white-on-blue display is clearer and more visible from a distance. Selectable backlight display and brightness adjustment give you complete control. Clock display in standby mode.

## CLASS-LEADING AUDIO

EVOKE-1<sup>XT</sup> Prestige Edition offers class-leading audio quality with its custom designed full-range hi-fi speakers and active filters for a natural 'direct-from-the-studio' sound. It is also bass reflex ported for richer more natural reproduction of low frequencies.

## COUNTDOWN TIMER

Easy to set using a dedicated timer button, the handy countdown timer is great for use in the kitchen.

## ALARM FUNCTION

Easy to use tone or radio alarm. Time is automatically updated from the DAB signal, so you don't have to set it or worry about resetting it when the clocks go forward or back.

## USB CONNECTOR

Whether it's enhancements to the DAB standard or new features from PURE Digital, the USB connector enables you to keep your EVOKE-1<sup>XT</sup> Prestige Edition up to date with updates from [www.pure.com](http://www.pure.com).

## MATCHING XT-1 SPEAKER

Supplied matching XT-1 speaker complements your EVOKE-1<sup>XT</sup> Prestige Edition in style, finish and audio quality. Features high-performance full-range 3" drive unit, bass reflex port, solid wood cabinet and 3m cable.

Please note that EVOKE-1<sup>XT</sup> and the XT-1 auxiliary speaker use real wood veneer. As with all natural wood products, some variation in colour is to be expected.

## TECHNICAL SPECIFICATIONS

**Specifications:** Stereo digital radio with full Band III reception capability, for reception of all UK DAB broadcasts. Compliant with ETS 300 401 and capable of decoding all DAB transmission modes 1-4 up to and including 256 kb/sec.
